## HENDERSONVILLE PASTOR

West End Church Seeks to Fill Pulpit Left Vacant by Rev. Mr. Doan.

[Special to The Times-Dispatch.] PETERSBURG, VA., April 23.—The special meeting of the City Council called for to-night to reconsider the city license tax ordinance, voted by the Mayor and the council, to the effect that the Mayor and the council should have the right to close the pool-rooms and saloons was adjourned without action because of absence of a quorum, only nine of twenty-four Councilmen answering the roll call. Another meeting will soon be called, possibly for next Monday night. As last night's called meeting failed to pass the ordinance over the Mayor's veto, but unanimously voted to reconsider, the situation is unchanged. Announcing that he would hear applications for licenses for liquor dealers on the April 25th and 30th, Judge Mullen, of the Hustings Court, to-day issued the following interesting notice:

"The court deems it necessary to say that it is inclined to the opinion that no place is a suitable place for the sale of intoxicating liquors where there are pool or billiard tables in the same building or in buildings connected with such place, but for the year beginning May 1st, it is disposed to modify this opinion to the extent that if there are such tables so located they must be closed promptly at the hour required by the city ordinance for the closing of bar-rooms. Unless parties making application for liquor license will promise to conform to this requirement, no such license will be granted to the party refusing so to promise. It deems it proper also to state not only should the sale of liquor cease at 12 o'clock at night, but the place of sale be closed and no entrance therein allowed except in cases of emergency."

## DANDRUFF KILLS HAIR

Cuticura Soap Kills Dandruff

"I was troubled with dandruff on my head ever since I was twelve years old. I had beautiful hair up to that time. The dandruff destroyed my hair. I tried everything I could hear of. I had no doctor, but I went into a drug store where I was well acquainted and asked the drugist if he knew of anything that would be good for me. He said: 'Of course I do. Just get a cake of Cuticura Soap. I got it and it did my hair good the first time I used it. My sister-in-law couldn't keep the dandruff off the top of her baby's head, and the hair fell out. I told her about it, and gave her the Cuticura Soap, and in about three months I went there again, the child's head was covered with hair and not a sign of dandruff. My sister said it was the Cuticura Soap. The child is not past three years old and has a lovely head of hair. Mrs. E. W. Shigley, Columbus, Kan., Oct. 25, 1905."
